## **DSOA**

Dubai Silicon Oasis Authority (DSOA) is one of the leading free zones and an integrated technology park situated in the Emirate of Dubai. DSOA is not only a free zone for businesses in the UAE but it also is a residential community. This free zone provides a modern twist in its office spaces and residential units, which brings an eye-catching scope to its investors.

DSOA is one of the ideal free zones of choice for company set-ups as their packages are very cost-effective. Even the process for the company set-up is very easy with minimum documents required. Here are the other benefits for setting up a company with DSOA:

### **DSOA Company setup process**

#### **Step 1**

Select your Dubai Silicon Oasis Authority pack from the pricing.

#### **Step 2**

We will prepare the documents and apply for your company's incorporation.

#### **Step 3**

Dubai Silicon Oasis Authority will grant a license to carry out business.

## **DSOA BUSINESS FACILITIES**

### **Facilities**

DSOA's urban master-planned community spans 7.2 square kilometers of state-of-the-art office towers, as well as R&D facilities and industrial zones, educational institutions, luxury apartments, villas, hotels, and healthcare centers. The destination additionally offers a comprehensive range of lifestyle options that shape its dynamic commercial and social environment. An enabling and nurturing hub for technology-based enterprises, DSO's unrivalled package of incentives including 100% ownership, and advanced IT infrastructure allow business partners to commence immediate operations.

### **DSOA Headquarters**

DSOA HQ building offers 'Plug & Play' office facilities from 160 square feet upwards, ideal for setting up regional offices and R&D centres. Office features include: high speed internet connections, VoIP connections, Avaya communications system, premier data centre, curtains, carpet and wallpaper, fire alarm system, large capacity car parking (over 1400 covered spaces), outdoor sitting area and landscaping, UPS system back up, false ceiling, raised flooring with power floor boxes, fully air-conditioned, cable access (2 voice and 2 data), banks, restaurants, coffee shops and post offices all on site with CCTV and 24hr security.
